

NISHITA CHAUBEY

ABOUT ME

I am a recent IT graduate with a passion for leveraging technology to solve real-world problems. I have a strong foundation in software development and data analytics, with proficiency in programming languages such as Python, Java, and C++.

I am committed to continuous learning and staying updated with the latest advancements in technology. With strong analytical skills, a proactive approach, and a passion for innovation, I am excited to contribute to impactful projects and drive meaningful change in the IT field.
